Sups. Pull Own Pay Hike Off Ballot

Extra Pay For District Service To Be Left On

SAN DIEGO (CNS)—County supervisors voted unanimously Monday to remove a charter amendment from the Nov. 6 general election ballot which was designed to hike their salaries by $7,350 a year.

The proposal, designated as proposition C, was passed only two weeks ago. Supervisor Dave Bird called for its removal Monday because there is already another amendment affecting supervisors' pay on the same ballot, and because he felt the measure was too lengthy.

Removed from the ballot was a measure to establish a supervisors' salary at three-fourths that of a Superior Court judge. That would make the supervisor's salary $15,750 per year as judges receive $21,000 a year.

Under the pay amendment provisions three of the supervisors would have received raises after two years and the others would have to had to wait four years for a raise.

Remaining on the ballot, now to appear as Proposition C, is an amendment, which, if passed, would pay supervisors for sitting as board of directors on 13 of the county's sanitation districts.

According to state law, supervisors could receive a maximum of $50 per month from each district. This would amount to $650 per month over a supervisor's regular salary.

However, Supervisor Bob Cozens is working on a plan to establish definite limits on the amount of compensation supervisors would receive. These limitations would not be on the ballot, but would be imposed on supervisors by themselves.

According to the plan, based on each district's population and assessed valuation, two of the 13 districts would not have to pay any compensation for supervisors' services. The others would pay between $10 and $25, according to their size. A total monthly ceiling of $500 would also be set as the maximum each supervisor could receive.

A Book Well Recommended

We recommend that every thinking American read J. Edgar Hoover's newest book, "A Study of Communism" Holt, Rinehart and Winston $3.95.

Hoover says that communism attempts to be all things to all men and already, since 1917, more than 40 million persons in 87 communist parties throughout the world have become members in the party.

Communists control one-fourth of the world's territory and one-third of the world's population and leaders are working to bring the Red Flag to wave over the rest, he points out.

What are the differences between communism and freedom? These are well documented by Hoover. A sampling of this list which is in much greater detail in "A Study of Communism" under a chapter "A Digest of Differences" shows:

COMMUNISM	FREEDOM
AIMS	
Advances its cause regardless of any cost to and demand on the individual.	Freedom supports the right of people of all countries to select their own social orders. Freedom promotes the general welfare, insures justice, and guarantees life, liberty and pursuit of happiness for all.
CRITICISM	
Voicing of dissent is strictly controlled and severely punished.	Emphasizes the right of the individual to criticize and to advocate change and reform.
ECONOMY	
The needs of the state determine production, wages, and prices.	Basically, the law of supply and demand governs production, wages and prices.
EDUCATION	
To advance the cause of communism.	Pointed toward the development of the individual.
ELECTIONS	
Only one slate—the elite in the communist party — appears on the ballot.	A choice of candidates offered the voters.
EMPLOYMENT	
Wages, hours and other matters are excluded from labor-management discussion.	Collective bargaining covers all aspects of labor-management relations including wages, hours, fringe benefits, working conditions, etc.
HUMAN RIGHTS	
Freedom of speech, the press and assembly are permitted only to the extent that they support the official policy.	Freedom of speech, the press and assembly are protected not only in constitutional guarantees but in practice.
LAW	
Proof of innocence is the responsibility of the accused.	Innocence is presumed until guilt is proved.
POLITICAL PARTIES	
Communist party will not share power with other political parties.	The existence of a multi-party system provides a restraint on power.
PROPERTY	
People can own only personal property, household goods, and real estate on which he can make no income.	People have the right to purchase, rent and to sell real and personal property.
MORALITY	
Communist morality justifies any thought or action which advances the end of communism.	Morality is based on the traditional principals governing human conduct.
RELIGION	
Religious training of youth is controlled to reduce and eventually eliminate religious influence.	Freedom recognizes and respects religious training as a means of strengthening the moral and spiritual fiber of the people.
TRADE UNIONS	
The state establishes wages, hours and working conditions.	Trade unions have the right to negotiate with management.
TRAVEL	
Citizens are isolated from the outside world by fortified borders.	Travel to other countries is widespread and commonplace.

Trash Collection Fees To Be Raised 33% Here

The cost of trash and garbage removal in Lemon Grove and Spring Valley is going up 33% next week. Frank Thomas, operator of Thomas Disposal Service, the firm which serves most homes and firms in the area, said that 'operating costs" was requiring him to increase the charge from $1.50 a month to $2.

Thomas supplies two collections a week for the fee and his schedule of pick-ups will be maintained as it is at present, he announced.

The new rate becomes effective Oct. 1st, he said.

Thomas said his rate was in line with that charged in other communities.

A quick check-up showed that La Mesa charges $1.50 a month and collects twice a week. Two month's fee is required in advance, however.

El Cajon likewise charges $1.50 a month and supplies two pick-ups weekly. Chula Vista charges $1.50 a month and collects trash once a week; garbage, twice a week. The above services are provided by privately owned firms.

In National City, municipal service is supplied and the charge is $1.50 a month for once a week collection.

KIWANIS KID'S DAY DRAWS CROWD

CHILDREN MARCH — The biggest crowds ever showed up for the Lemon Grove Kiwanis Kid's Day. The big event of the day was the Kid's Parade which drew much attention as it went down Imperial at 1 p.m. and up Broadway. After bikes and trikes and doll buggies and kids—fully bedecked in a variety of colors — arrived at Lemon Grove Junior High school playgrounds, some 1,600 ice cream bars were consumed.
Shown here after the parade were participants (l to r) Jenifer Jones, 9, 8432 Palm, Deborah Greene, 9, 7070 Central and Steven Ball, 8, 2051 El Prado. In background a fellow ice cream eater looks at camera too. Paraders went about three-fourths of a mile to the accompaniment of local school bands that added greatly to the occasion.
Stanley Rogers, Kid's Day Chairman, Jack Durham, movie chairman (children saw free movies in the morning) and Bob Howell, parade chairman thanked participants for making this year's Kid's Day the best one so far.

"HAVE A BABY, MY DAUGHTER JUST HAD A CIGAR. . ."

Joe Mercurio was around town quite a bit lately with the proud and somewhat excited announcement that his daughter and son-in-law, **Mr. and Mrs. Nick Sardo** of 7280 Central ave., L.G. have made him a grandpa for the second time.

Joe, who has run Joe's Shoe Shop at 7876 Broadway for nine years is handing out free cigars to his customers in observance of the second blessed event. When he's a little too excited about being a grandpa, he says, "Have a baby, my daughter just had another cigar." Then he'll quickly retract, saying, ". . . er, baby" and hand the customer the hammer he's got in his hand and go over and try to pound in a tack with one of the cigars.

Barth Anthony Sardo is the newcomer. He was born Sept. 19 at 8:03 p.m. Bart never will have a grandma Mercurio. Joe is a widower. He tells people, "I have to be both a grandpa and grandma."

DOG WEEK IS HERE AND 2,454,700 CALIFORNIA DOGS HAVE NOTHING TO GROWL ABOUT

Sept. 23-29 is National Dog Week. It can be observed in many ways according to the dogs and the-people that own them. Generally speaking, Dog Week honors dogs and therefore people should be especially nice to them.

The Chemetron Corporation in a news release to papers in California, states that this state's 2,454,700 dogs have nothing to growl about. Why? Some $14,400,000 is spent on them annually—$1,000,000 for medical care alone!

I would like to suggest that owners do things during Dog Week to make their pets feel important. For example, the dog's owner might try fastening a megaphone over his canine's head so that its barking will be louder.

To be nice to your dog, give it what it wants to eat—the neighbor's cat, the steak from your dinner table, your hand, the mailman's foot, car tires. You can worry later about what to do when National Neighbor Week, National Cat Week, National Hand Week, National Mailman Week and National Car Tire Week arrive.

After Dog Week is over and dogs are gone back to a dog's life, these nice pets should be taught that there's no such observance as National Burglar Week.

This is not a happy National Dog Week for dogs in the South Bay area.

Polio Records Required By High Schools

Seven high schools in the Grossmont District will attempt to complete a record of the polio immunizations of 13,000 pupils, as required by California State Law, and parents are alerted to the necessity of returning information cards sent home with each student. If such a card has not been returned or has been lost, another may be picked up by the student at his school.

State regulations require that a student be immunized against polio by Salk or Sabine vaccine in order to enroll in school. A period of two weeks' grace was allowed for those not fulfilling the requirement, and that period has expired. Students whose cards have not been returned are eligible for suspension from school. To avoid this, parents are urged to fill out and sign the information card. If the student was immunized before January 1, 1962, the parent's signature is enough on the card. If the student was immunized after January 1, 1962, the card must also contain an o.k. from doctor or clinic. If the parent objects to immunization on the basis of religious or other beliefs, he may also check the card, sign the card and return it to the school.

GJC PRESIDENT HANSEN THANKS PAPER FOR GOOD COVERAGE ON BOND ELECTION

Dear Editor:

Approval of the September 18 Grossmont College bond election by more than five out of every seven persons who voted provided a clear indication, we believe, that the Grossmont Junior College District electorate was well informed concerning this measure.

Certainly your newspaper played a vital part in making essential information available to voters. For fulfilling this basic responsibility of a public news medium to inform its readers, fully and fairly, concerning a meaningful public issue, we commend you. And for your able and effective editorial support, we would like to express sincere appreciation on behalf of the scores of thousands of young men and women who will in the future gain great benefit from the provision of this campus facility.

Sincerely,
By: John S. Hansen, President

SUPT. LEW SMITH SAYS PAPER AIDED GROSSMONT COLLEGE FUTURE

Dear Editor:

The outstanding contribution you made to the successful passage of the Grossmont College bonds last Tuesday deserves our sincere and deep appreciation. You covered this issue thoroughly from a news standpoint and in your editorial column most effectively.

In doing this you have contributed to the development of an educational facility which will mean much to our community. In addition, you should gain deep satisfaction from the knowledge that you have contributed to the provision of an educational opportunity for the youth of this area. We thank you.

Cordially yours,
Lewis F. Smith
District Superintendent
Grossmont J.H.S. District

COMMUNITY THANKED FOR BOND PASSAGE

Dear Editor:

We feel that an event of positive community significance occurred on September 18th, when 73% of the voting electorate of this district approved the bond issue for construction of a campus for the Grossmont College.

The successful passing of this proposition was not accomplished, however, without a great deal of time and effort put forth by over one thousand citizens who worked on the Bond election's informational campaign. The primary motivation of these dedicated persons, we feel certain, was the conviction that this district needs a Junior College and adequate facilities therefor if the post-high school educational needs of our youth are to be met satisfactorily.

Although the purpose of this letter is to thank the many persons in this campaign, a word of commendation should also be extended to the more than 27,000 persons who recognized their citizen's responsibility by voting on this important community issue.

All persons who contributed anything to this campaign will experience their greatest feeling of satisfaction, however, in their view of the campus after its completion and realize this facility will play a significant part in furthering the education - and therefore in shaping the lives - of many thousands of young men and women in this district.

Spend It On Trip, Not Communists

It came as a welcome relief this week to learn that all of our tax money isn't given to foreign countries where much of it is used to perpetuate communism.

Some of it has been spent by junketeering Congressmen on themselves and their entourage.

One such traveler, Rep. Adam Clayton Powell (D.-N.Y.) gained our approval but incurred the wrath of the House Administration Committee because he spent some of our tax money traveling about Europe escorted by two beauteous babes while his wife, also in his paid employed as a $12,000 a year secretary, stayed home to mind the store. He claimed the junket was to study the Common market.

One of his traveling companions was Corinne Annette Huff, a 21-year-old contestant for the 1960 Miss Universe crown. The other was Mrs. Tamara J. Wall, blonde, 31-year-old divorcee who is also an attorney. Both are Powell's paid aides.

The entourage sailed on the Queen Mary Aug. 8 and the U.S. Embassy met them in London and handed them $100 apiece in British money drawn from counterpart funds. The State Dept., which made the arrangements supplied similar funds in every country the trio visited. State also supplied them with theatre tickets and had Powell's laundry flown from a London hotel to Rome in a diplomatic pouch so that the Congressman's night club tour would not be despoiled by soiled linen.

Not all of the lawmakers looked upon the joyous tour with such sympathetic understanding as we. Rep. Omar Burleson (D-Tex.) head of the House Administration Committee is threatening an investigation into the way Powell is running his job and sights on Powell's House Labor Committee as target. He claims that two of Powell's consultants have denied doing any work for the committee or getting any money. He demanded that Powell fire seven of his twenty part time "consultants."

We think Congressman Burleson is much too grim. Earlier this month Jackie Gleason, the greatest exponent of hedonism extant, hired a train, decorated it with buxom girlies several bars and bands, and headed east from Los Angeles.

As popular as Gleason is, he had to pay his own expenses. Certainly, we can do no less than pick up the tab for a matching European trip for one of our United States Representatives.

Anyway you look at it, Congressman Powell's tour didn't further the cause of communism. If anything, the trip would confuse, rather than abet, Russia's devout Kremlin-fearing communists.

LOCAL SCHOOL DISTRICTS LAUDED FOR COOPERATION WITH YOUTH PROGRAM

Dear Editor:

Several weeks ago there was an article published in a newspaper (other than yours) which stated "Sweetwater Unified School District denied the South Bay Area use of their Gridirons for Pop Warner Football."

First of all I would like to thank our school districts—Grossmont, La Mesa-Spring Valley for their assistance in granting usage of their schools for youth organizations.

I have worked in PTA's, Little League, Boy Scouts, Pony League and Girl's Softball groups and can see the dire need for such recreation. The personnel and boards of our school districts have recognized this need and have done something about it.

As you know, in Spring Valley we haven't any community centers sponsored by the city or county. We do have Pals and Gals which is very nice but inadequate for our needs. Whatever has been done to combat juvenile delinquency here has been done by the above-mentioned organizations and the schools. These people who staff our schools and districts, know what our youngsters need. Meetings for adults of these groups are held in schools, games are played on school property, and communities are helped with the use of the grounds for their events.

I am very proud of our school districts and I know they will continue their foresight on these matters.

Pop Warner Football itself is a very well organized, supervised sport. Our particular group did not have any injuries to boys while playing football. Several boys who did not belong to Pop Warner suffered broken wrists, arms, etc. playing football in the street. The object of mentioning this is to point out that boys will be injured more severely playing football, baseball, basketball etc. unsupervised, without proper equipment than playing under safe conditions. No one can guarantee that accidents will not happen even under safe conditions. That is one reason there is a word "Accident" in our dictionary.

Also one other point I may give in favor of these groups for youths is, after reading newspapers, watching TV etc. I am under the assumption that the ratio of delinquency for these groups is of the minority. Most boys are kept too busy with these sports to have time to get into trouble.

Again I give my whole hearted thanks to our school districts for granting use of their fields and school rooms for our children.

Sincerely,
Mrs. James Jordan

READER OFFERS "CHOSEN THOUGHTS OF HIS OWN" IN REACTION TO EDITORIAL

Dear Editor:

In reference to your editorial on psychiatric tests for those who lead children, I would like to add a few chosen thoughts of my own.

First, in reference to profanity, I can see where there is no room for it in poetry, music, dancing, ballet, the fine arts, and fields such as this, and of course the widely acclaimed artists, writers, musicians, etc., never utter profane words in their works of art.

As for profanity in the contact field of sports, why it is a known fact, that a coach can lead children into better disciplined performances with such rallying cries of: "Wouldst thou mind, gentlemen to endeavor to produce more spirit in the second half, or inning, so that we would be able not to lose by such a wide margin as the first half." I am sure such rallying cries were used to mold the children prior to Bunker Hill, Valley Forge, Gettysburg, San Juan, Argonne, Tarawa, Iwo Jima, Normandy, and I wonder what the children were taught prior to Korea.

Secondly, as to your reference of a coach hitting a child, worst of all a little girl, why most coaches go around hitting little girls. Such stereotyped sensationalism, appealing to all humanity of ridding society of these monsters who go around taking their frustrations out on poor little defenseless girls. You say you have heard of such reports, isn't it more on the line of gossiping or rumors when you print about poor little defenseless girls being slapped by all these people who donate their time in organized competitive sports, how about those who teach Sunday School, or Boy Scouts, or Girl Scouts, etc. etc. Why let's go all the way and have psychiatric tests for all these people.

Then of course, after these tests are set up for Free Loving Americans to take, to see if their competance is enough to help their communuity, we will then have to, of course, set up a board of supervisors to see who is competant enough to serve their community. I think you are on dangerous enough grounds, editor, without my going any further into this.

Now if you want a real test to set up governing people who lead our children both in school, churches, and on their own free time, why not set up the most logical and strongest test of all, and that is a simple lie detector test asking these questions:

1. Do you believe in This Nation Under God?
2. Do you believe in Freedom of Religion?
3. Do you believe in the American Way of Life?
4. Are you now or have you ever been member of the Communist Party?

Maybe you will print this and maybe you won't, but at least, editor, there are more people than you think who know about these so-called governing motives of these committees, who take it on themselves to decree the abolishment of what this country was built on and what it stands for, and that is God, strong disciplined competition, and the right to say that your Psychiatric Tests border on the Marxist theory of control.

Kjartan T. Magnusson Takes Bride

Judith Ann Donne of San Jose became the bride of Kjartan T. Magnusson, son of Mr. and Mrs. Ted Magnusson of 2828 Massachusetts st., Lemon Grove in a Sept. 4 wedding ceremony at the Los Angeles Temple of the Church of Jesus Christ of the Latter Day Saints.

The bride, daughter of Mr. and Mrs. Jack Donne of San Jose, chose a white French silk, brocaded gown and an elbow-length tulle veil caught into a pearl-studded crown. Her bouquet was of gardenias surrounded by white carnations.

A family dinner was held after the wedding at Knott's Berry Farm after which the new Mr. and Mrs. Magnusson honeymooned at Big Bear Lake. A reception followed the honeymoon on Sept. 8 at the home of the groom's parents.

The groom was graduated from Helix High school in 1956. After attending San Diego City College, he was called to serve as an LDS missionary in Norway for 2½ years. He started this church work in 1959. Upon his return to the U.S., he began attending Brigham Young University at Provo, U., an LDS school, where he met his bride.

The couple is residing in San Jose where both are employed.

The new corps of officers of Lemon Grove Assembly No. 172, International Order of Rainbow for Girls is planning a busy fall season. Two projects have been announced by the worthy advisor, Miss Susan Masler, daughter of Mr. and Mrs. Walter Masler.

First project will be a Swiss steak dinner to be served on Sun., Sept. 30 at the L.G. Miss Denlinger assured all friends of Rainbow that the meal will be delicious and well worth attending.

Miss Jean Liddle, daughter of Mr. and Mrs. Robert Liddle of Spring Valley is chairman of the second project, a charity drive. Rainbow girls working on this will collect rummage, all of which will be turned over to an organization supporting an exceptional children's school.

Miss Liddle said her committee hopes to make this a successful project. People having rummage are asked to call her at HO 9-5989, or to call Mrs. Leona Williams, mother advisor at CO 4-8230 in order to have their rummage picked up. Donations from people in Spring Valley and Lemon Grove will be especially appreciated, according to Miss Liddle.

'Thought It Was My Wife's Boy Friend's Car'

Mistaken Identity Costs Cook Big Repair Bill

A case of mistaken identity in a car, led to the ruin of Mrs. Louise McCart's automobile parked outside the Pal's Cafe 3521 Imperial, L.G. early in September. Mrs. McCart is a cook at the cafe.

A witness came into the cafe and told her someone was tampering with her car. Investigating she found air had been let out of the tires, the electrical system had been wrecked, the sun visors were torn off, the rear view mirror had been torn away and the radio antenna broken.

A witness to the damage directed Mrs. McCart to the Sportsman's Club, where he said the car wrecker had gone. Faced with an indignant Mrs. McCart, the man said he thought it was the car of his wife's boy friend and was sorry he had made a mistake. He gave her his address. Attempted contact at the address revealed that the man had moved from High st., L.G. His wife is said to be employed at a L.G. Rest Home.

PARENTS HAND BOY TO SHERIFF

The parents of Martin Dennis Feil, age 17, of 2666 Buena Vista, Lemon Grove requested the Sheriff's Dept. to take him to Juvenile Hall, as they found him unmanageable because he is addicted to glue sniffing. When taken in, the boy was "high" from sniffing but would not reveal who he had been with that day.

SLASHES WRISTS

John Joseph Blecha Jr., 28, slashed his wrists with a razor blade at his home 3619½ So. Cordoba st., S.V. Sunday. Two neighbors called his estranged wife, Mrs. Diane Blecha of La Mesa, who thought it was a joke and ignored it. After the second call, she began to think it might be true. It was and she arrived in time to take him to Grossmony Emergency. They had been separated for six months.

MAN IS MINUS ADDER

Norman Francis Steigerwald, 42, 3595 Olive, L.G. reported to the Sheriff's Dept. at 9 p.m. Sept. 23 that someone had taken his $100 adding machine from his trailer during his absence.

BOAT MOTOR TAKEN

Alan Harvey Brooks, 31, 7195 San Miguel, L.G. reported to the Sheriff's Dept. that a $200 25 h.p. motor was taken from his boat parked in the side yard of his house. Two sets of footprints were found near the house.

THAT LONG, LONG, LONG SHOPPING TOUR

Lending his father's car to a friend to go shopping last week proved costly to Pat Gonzales, L.G. when he let Dick Koerner, 7406 Pacific, L.G. "borrow" it to go to the store. Koerner did not return with the car. Investigation by the Sheriff's Department reveals that Koerner went to his home, loaded the car with food, clothes and miscellaneous household items, none of which belonger to him. With his wife Donna he apparently left town. He left two notes, one of which stated he was going to Rochester, N.Y.

ROBBER SUSPECT IS 13

A Spring Valley lad of 13, is suspected of robbing the vending machine in front of the Cornet Store at El Kelton and Jamacha rd., S.V. during the past month. He used various methods to get into the coin boxes, and collected $15.50 during his raids. Noble's Market on Sweetwater ave., S.V. also reported they had similar trouble, losing $2.65.

SHOOTS SELF WHILE PLAYING WITH GUN

William L. Crawley, 25, a truck driver, 8431 Broadway, L.G. reported to the Sheriff's Dept. that at 5:15 p.m. Friday, he was sitting in his living room working the mechanism on his loaded .38 pistol, which he was holding in his left hand. Attempting to replace the cocked hammer, he said, it slipped. At Grossmont hospital he received emergency treatment for gun shot.

'BORROWED' CARS BRING GRIEF

They did not steal the cars. They just "borrowed" them to take a ride and the cars were always returned to the exact place and spot from which they were taken. This was the confession of three Lemon Grove youths, 14 and 15 years old, who admitted to "borrowing" a De Soto belonging to Mrs. Gloria J. Rust, 4009 Violet, V.L.M. when they were apprehended by Deputy Sheriff Everett of the County Juvenile Division, at 5:15 p.m. Sept. 20.

The 15-year-old would "borrow" cars and the other two went along for the rides, although later becoming aware the cars were stolen. A Buick was taken from Monterey Heights and a Chevy pickup was "borrowed" from a neighbor by the 15-year-old who was referred to the County Probation Dept. The 14-year-olds were released to their parents.

FROM UNDER THE NOSE

A barefaced attempt by two L.G. boys to steal an automobile from under the nose of the owner, was staged at 8:30 a.m. Sept. 20 Mrs. Dyanna Thompson, 1601 Folkestone, S.V. was standing near her car parked in the driveway and talking with her neighbor Mrs. Betty Jean. Mrs. Jeane had noticed two boys standing near the car. Then she observed the car moving backwards down the driveway. The key had been left in the ignition, preparatory to Mrs. Thompson going on a shopping trip. Mrs. Jeane followed the car down to the street. When she asked the boys what they were doing, they fled, but fast, in separate directions. Later they were apprehended by the Sheriff's Dept. at Panchoy and Washington, L.G. After questioning they were released to their parents.

STOP SIGNS TAKEN

Mr. and Mrs. James D. Coleman, 1533 Koe st., L.G., were witnesses at 6:15 p.m. Sept. 16, to a daylight robbery of County of San Diego property, when two men in their late teens, removed a stop sign with its pole from the southeast corner of Eldora and Alton drives, Lemon Grove.

Both stated that the pair placed the sign and pole in a compact car, described variously as a Chevrolet '60 to '62, light grey, and an Oldsmobile or Buick, white, of the same year.

CAR GOES TO MARKET

Who took his car and why, is still puzzling William Mackley, living in Space 10, 3595 Olive dr., L.G. Mackley reported to the Sheriff's Dept. that he arrived at his place about 1 p.m. Saturday, parked his '54 Plymouth 4-door sedan outside his trailer and went in for a nap. When he awakened he found the automobile gone. The Sheriff's Dept. was alerted, but before they had a chance to take hold of the case, a friend of Mackley's spotted the car in the Mayfair Market parking area and brought it back to Mackley about 8 p.m. that night.

Grossmont Will Have No Taxes In 11 Years Says Hospital Head

The Lemon Grove Men's club honored directors of the Grossmont Hospital District Friday but Homer Streich, "Mr. Hospital," who was to have been the main honoree, was unable to attend because of illness.

A plaque, awarded by the Men's Club and donated by personnel and the women's auxiliary of the hospital, was accepted by Leverill Bristol, the hospital administrator in absentia of Streich.

The presentation was made by club president Jim Spears who is also a director of the hospital.

Bristol told the club the hospital's $300,000 budget is larger than that of the cities of La Mesa and El Cajon. The facility is "paying its way" and has no operation and maintenence taxes. In 11 years, he said, there would be no hospital taxes at all, the building bonds will have been retired by then, he said. The hospital is presently operating at 78 per cent of capacity. Maximum safe operation is 80 per cent, he added. The hospital has 425 employes, 500 doctors, and 700 members of the auxiliary to serve 240 beds and 40 bassinettes, he said.

Friday, Lionel Van Deerlin, Democratic candidate for Congress will show movies he took during his recent cross-country tour studying ports and harbors.

Meetings are held at 12 noon every Friday at Michael's and all men may attend.

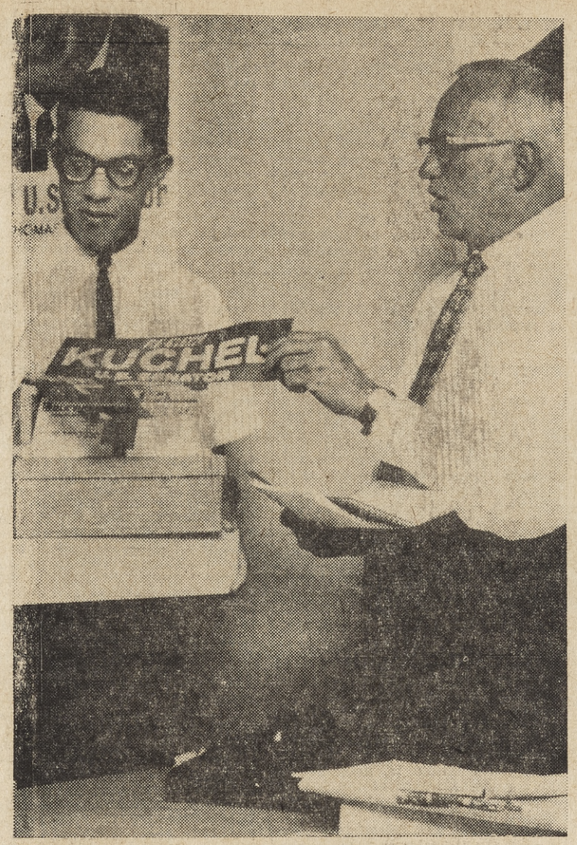
Grove Man To Aid Kuchel



KUCHEL-ITES — Raoul Lowery (left), of 1565 Skyline dr., L.G. began duties as campaign co-ordinator for re-election of U.S. Senator Thomas H. Kuchel (R-Calif.) by gathering together Kuchel campaign material. Herbert Kunzel (right) is chairman of Kuchel's (pronounced Kee-Kool) San Diego Area Committee.

Weight Lifting To Be Taught At Mt. Miguel

The area's first weight training workshop will be sponsored by the Physical Education Council, Grossmont Union High School District, at Mt. Miguel High school Sept. 22.

The program, which will run from 1 to 3 p.m., will feature weight training instructional demonstrations by Willis Wilson, La Habra High school, Whittier District, physical education instructor and an expert in the field.

"All physical educators in the county — both male and female—are invited to attend," Fred Wadsworth, Monte Vista physical education instructor and Grossmont council chairman, said.

"Mr. Wilson will also offer ideas and suggestions as to how weight training programs may be introduced in physical education curriculum. Since weight lifting develops muscles and coordination important to those who would be physically fit, we believe the results of our workshop can have far-reaching benefits for the youth whom we serve throughout the county."

This event will be the first of a series of workshops to be sponsored by the Grossmont Physical Education Council this year.

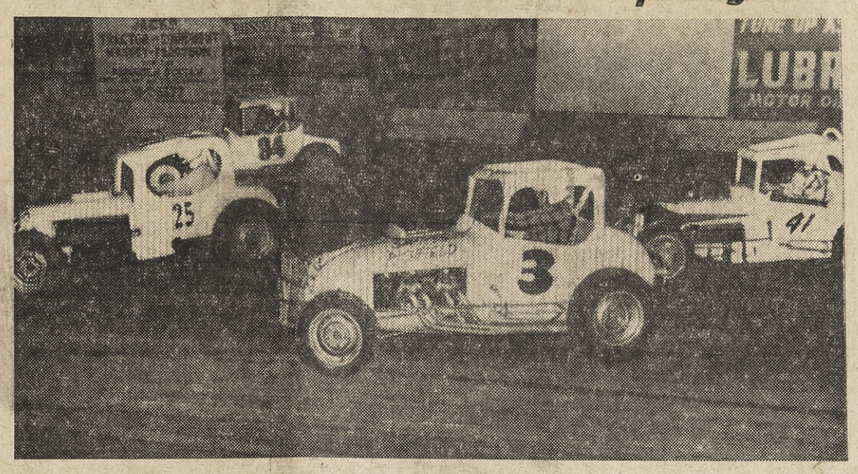
Super Modifieds To Be In 100-Lap 'Grand Prix' Race On Saturday Night



CHAMPIONSHIP AT STAKE — This Saturday night at Cajon Speedway in El Cajon at Gillespie Field, should prove one of the highlights of the season for racing fans. It will be the last appearance of the season for the Super Modifieds, but in store for spectators is a 100-lap Grand Prix. Rosie Rousell of Fillmore and Dick Fries of San Diego will add to the suspense because they will be battling it out for this season's championship. In photo above taken during a recent Super Modifieds race, Lee Robinson of Spring Valley (25) leads the way out of the south turn with Don Freeman of National City (94), Jack McCoy of San Diego (3) and J. Mohre of S. D. (41) in pursuit. This Saturday night, Sept. 29 Super Modifieds go into action at 8 with time trials beginning at 7.
Sunday night the Claiming Stock Cars race will return at 7:15 p.m. with a full program for fans. Warren Toles of San Diego was winner of last week's 25-lap main event. A Grand Prix for stock cars will be held on Oct. 20.

LADIES, AS THEY SAY IN CLUBWORK, ARE BORN TO LOSE

The hand that rocks the cradle also puts things away carefully. . .then can't locate them when they are needed.

The L.G. Business Women's League comprised of L.G. business and professional women, has asked this newspaper to aid in locating: 1.) the club's flag; 2.) the club's pennant, and 3.) the club's trophy.

These things were lost at different times, according to Ruth Willingham, club president. She says that it is probable that a member put one or more of these items carefully into a drawer or closet for safekeeping. . .then forgot.

Alice Stevens, club publicist, opined that some of the members fail to wear club pins to the meeting as required by club rules because "they forget where they left the pins last."

Mrs. Willingham asks that finder of the articles contact her at 466-0265, or Max Goodwin at this newspaper.

The flag had 48 stars, which dates it; the pennant carried the club's insignia in green, and the trophy was one awarded the club "for community service" by Municipal Judge Luther Hussey.

Edgemoor Auxiliary Recruiting Helpers

Edgemoor Geriatric Hospital Auxiliary is recruiting Pink Ladies to serve at the hospital in Santee or at the Thrift Shop in Bostonia. Interviews will be given next week at the hospital. Indoctrination classes will be held each Tuesday of the month.

The Auxiliary's mission is to provide direct patient service. Fund raising and fund raising events are not regularly scheduled on the calendar of activities. The Auxiliary operates the Thrift Shop where donated items and clothing, unsuitable for hospital use or wear, are sold; the funds generated by this operation are used to support the regular patient service projects.

Approximately 2,500 fans were on hand to view the clash which marked Grossmont's first athletic event.

With Owens handling the quarterback chores, blending passing and the running of Pease and Comstock along with a stout defense the Hornets—who are one of the favorites for the EC crown—lived up to their billing.

The requests pour in every day. They come from churches, service clubs, charities, civic groups, Boy Scouts, Campfire Girls . . . the list, as every editor knows, is endless.
In essence the requests are all the same. "Please publicize our . . . fund drive, cookie sale, civic improvement project, church meeting, charity football game . . .
To a newspaper space is money, but like all responsible community newspapers, we contribute not only space but also the skills of staff members to aid these community projects.
Without newspaper support, it would often be virtually impossible for these groups to gather sufficient community backing to achieve their goals.
Because the newspaper serves, the community is richer, the individual lives a better life. Newspapers make this big difference.

The Junior High Youth group and their sponsors—Mr. and Mrs. H. Mayer and Mr. and Mrs. R. Bayless—enjoyed an Hawaiian luau at the home of Mr. and Mrs. Alex Fousek on Friday evening. The evening also included swimming.

The college and high school youth had a time of fellowship after church Sunday evening at the home of Pastor and Mrs. E. Anderson, at which time the group bade farewell to Ed Peterson, who is leaving to continue studies at Fuller Seminary in Pasadena.

The ladies of the church had a "Farewell coffee" Thursday morning at the home of Mrs. Henry Maxwell, honoring Mrs. Marie Franceschi who left for Sidney, Australia to visit her mother. She will be gone more than three months. Short devotions, including the reading of Psalm 91 started the time of fellowship. Refreshments were served—including a beautifully decorated cake whichc depicted the flight from San Diego to Australia. Maps were drawn on the cake as were the flags of the two nations and the jet plane. Following refreshments a "special suitcase" was given to the guest of honor, and upon opening it she found many useful gifts to take along on the trip. Hostesses for the coffee were Mrs. Doris Mayer, Mrs. Marjorie Maxwell, Mrs. Violet Fousek and Mrs. E. H. Anderson.

Twelve ladies of the church attended the annual San Diego area missionary rally held at the Mar Vista church, Imperial Beach on Sept. 25. The program included registration, devotions, roll-call and coffee hour with ladies of the Mar Vista Church and the Chula Vista South Bay Baptist Church as hostesses. Missionary speakers were Rev. and Mrs. Loran Long, who recently were appointed as missionaries to Baja Calif. The meeting closed with a luncheon at the Hayloft.

The Sunday School teachers meeting under Wayne Grellson was held at the CDO Baptist Church on Sept. 24.

"HOLY SPIRIT"

To have begun is not to have finished. The Holy Spirit begins the spiritual work in us. He brings it to the place of new birth. He must also continue working in us so that we grow from childhood to maturity as Christians. This He accomplishes by leading us into deeper understanding of the Bible.

San Diego State will join with leading colleges and universities of the nation this fall in offering a nationally-televised course in American economics for college credit.

Students may study economics at home from the program, "College of the Air," seen locally over KFMB-TV, Channel 8, Monday through Friday, at 6:30 a.m., starting Oct. 1.

Dr. Sylvia Lane, coordinator of the program and assistant professor in the department of finance, said the aims of the course are (1) to help today's citizen understand the economic world as consumers, investors, and voters; and (2) to help tomorrow's citizens by furthering the economic education of their teachers.

The course will consist of five half-hour lessons per week for 32 weeks. A $30 registration fee per semester will be charged those enrolled in the course for credit.

Major figures in economics, labor, commerce, and industry, agriculture, and government will appear as guest lecturers. President John F. Kennedy, Gen. Dwight D. Eisenhower, Walter Reuther, and B. K. Nehru are among the speakers.

Democrats To Push Doorbells For Funds Here

The president of the Lemon Grove Democratic Club, Mrs. H. J. Warner, has been named to head the Dollars for Democrats Drive in this area.

The drive is a grass-roots project of political party financing that is aimed at raising funds to support candidates in November.
